

## Customization Heavy Duty Industrial Long Span Shelving Boltless Rack For Garage Storage

Our Product Introduction

for more products please visit us on [warehouse-rackings.com](http://warehouse-rackings.com)

### Basic Information

### Product Specification

- Model NO.: QF-Medium Duty
- Material: Steel
- Structure: Rack
- Type: Pallet Racking
- Mobility: Adjustable
- Height: 0-5m
- Weight: 200
- Closed: Open
- Development: Conventional
- Serviceability: Common Use
- Color: Customized
- Lead Time: 15 Days
- Raw Material: Q235
- Surface Treatment: Powder Coating
- Transport Package: Safe

## Product Description

Jiangsu Qifei Intelligent Storage Equipment Co., Ltd.

**Medium Duty Rack** adopts special step beams, which has the characteristics of simple structure, light weight, strong bearing capacity and low cost. The frame is connected by two uprights, horizontal braces and diagonal braces. It can be adjusted freely up and down to meet variety of storage needs. Medium duty racking is widely applied in electronics, food and medicine, clothing and office, business and other industries.

| Parameter             | Value   |
|-----------------------|---|
| Shelf Brand           | QiFei   |
| Product Name          | Medium-Duty Warehouse Shelf                     |
| Shelf Thickness       | 0.35mm  |
| Product Color         | Orange, Gray, White, Blue, Black, or customized |
| Upright Specification | 50*35*0.5mm                                     |
| Number of Shelves     | 4 layers or customized                          |
| Product Dimension     | 2000*600*2000 mm                                |
| Manufacturing Process | Uprights/Crossbars/Shelves: Cold-rolled         |

## Required info for quote

|   |
|---|
| 1、The AUTOCAD drawing of warehouse or racking |
| 2、Length, Height, and Width of the warehouse  |
| 3、Layers of the racking                       |
| 4、Pallet size                                 |
| 5、Max weight of pallet with cargo on          |
| 6、Color requirement                           |

## THE RACK STRUCTURE

| Load Capacity | Sizes(L*W*H)mm       | Specification                           |
|---------------|----------------------|---|
| 100kgs/layer  | 1200*400*2000        | Frame: 30*50*0.6mm<br>Beam: 30*50*0.4mm |
|               | 1200*500*2000        |   |
|               | 1500*400*2000        |   |
|               | 1500*500*2000        |   |
|               | 2000*400*2000        |   |
| 200kgs/layer  | 2000*500*2000        | Frame: 40*80*0.7mm<br>Beam: 40*60*0.6mm |
|               | 1500*500*2000        |   |
|               | 1500*600*2000        |   |
|               | 2000*500*2000        |   |
| 300kgs/layer  | <b>2000*600*2000</b> | Frame: 40*80*0.7mm<br>Beam: 40*60*0.7mm |
|               | 1200*600*2000        |   |
|               | 1500*500*2000        |   |
|               | 1500*600*2000        |   |
|               | 2000*500*2000        |   |
|               | 2000*600*2000        |   |

## Detailed Photos

### MAIN AND SUB FRAME SAVES COST SAVE SPACE

The main frame has two columns frames, which can be used independently, Add on rack cannot be used alone, which must be used with the main rack.

Main frame and sub frame share one column

## SHELVING BOARD REINFORCEMENT RIBS

The spot-welded reinforcing ribs at the bottom of the shelf board increase the focus of the laminate and prevent the shelf board being deformed and make it much stronger.

## UPRIGHT FRAME DESIGN

The upright frame are designed with butterfly holes and are connected to the buckles on the beam pendants, which saves time and effort during installation and is easy to disassemble. The shelf layer height can be adjusted according to customer's needs.

## TRAPEZOIDAL SUPPORT

Diagonal bracing is added to the shelf, which conforms to the mechanical theorem and ensures stable load-bearing.

## ASSEMBLED COLUMN PIECE

Our upright frames are assembled with bolts instead of welding, which can fit in more qty in the shipping container and save the shipping freight.

Company Profile

**Jiangsu Qifei Intelligent Storage Equipment Co., Ltd**, established in 2020, is one of the leading manufacturer which specialized in designing & manufacturing industrial warehouse storage racks, automation warehouse system and professional logistics equipment, we aim to provide cost-effective and space utilization storage solutions for all customers worldwide . We have powerful R&D teams,including 8 experienced design engineers. Qifei's workshop equipped with 6 automatic production lines of rolling and curved steel and two static powder coating lines, which ensures the high quality of our products. All our products and operation are ISO:9001 certified , and all our racks / shelving are approved by SGS company . Our main products are heavy duty rack, medium duty rack, light duty rack, cantilever rack, mezzanine floor, drive in rack, and so on.

Welcome to visit our company.

**WHY CHOOSE US**

## FAQ

Q: Are you manufacturer or trading company?

A: We are experienced manufacturer in the warehouse storage industry.

Q: How is your delivery time?

A: Generally, it is within 25 days against formal order and deposit. It also depends on other factors such as order quantity.

Q: What is the payment term?

A: T/T 30% as deposit, and 70% before delivery. We'll show you the photos of the products and packages before you pay the balance.

Q: What is your terms of delivery?

A: EXW, FOB

Q: Are samples available?

A: Yes, We can supply the sample if we have ready parts in stock, but the customers have to pay the sample cost and the courier cost.

Q: What is the minimum order quantity?

A: Generally, MOQ is 10sets.

Q: Can I make my own brand and designed products?

A: Yes, we do both OEM and ODM, so you can make your own product with your own logo.

Q: Where is your factory? Can I visit it?

A: Our factory located in Nanjing, Welcome to visit our factory. We can arrange pick-up from the airport or train station for you.

Q: What parameters do I need to provide for an accurate quotation?

- 1) Quantity(set)
- 2) Size: Length\*Width\*Height (mm) or samples or technical drawings
- 3) Load capacity per layer(kg)
- 4) Number of layers

Q: I don't have drawing or picture available for the products, could you design it for me?

A: Yes, we can make the best suitable design for you but need to know more details.

Q: Do I get any guarantee from your company?

A: 3~10 years warranty

Q: How do you make our business long-term and good relationship?

A: Quality makes trust and reputation, plus competitive price to ensure our customers benefit ;
