Industrial Workbenches for Warehouses and Manufacturing Plants

Product Description

We supply an extensive selection of workbenches to suit all working environments. From order processing, packing to manufacturing and production, our workbench range provides the solution.

The workbench kits are strong and simple to build and come in a wide range of sizes that will suit most applications. Whether you are looking for a garage workbench with a heavy duty requirement or a packing table within your warehouse, you can be assured to find the right workbench for you.

Our portable workbenches are ideally suited as a mobile work station offering complete flexibility and versatility. The heavy duty work tables with castors allow operatives to carry out their day to day tasks with ease and comfort, by simply rolling the mobile workbench to their required location.

When working with extremely heavy loads, our heavy duty work bench range will cater for loads up to 1400kg. The range also offers an option of an industrial workbench with drawers to provide added storage for paperwork or materials.
